Malayalam

Hindi

PROFILE

As a dedicated BSc Computer Science student and proficient Flutter developer, I am passionate about exploring the dynamic and evolving landscape of computer science. With a strong foundation in programming and software development, I'm motivated by problem-solving and innovation. I'm committed to staying updated on the latest industry trends and aspire to make a positive impact in the tech world. I am poised to make a positive impact in the tech world and contribute meaningfully to future technological advancements. I am currently focused on MERN stack development, aiming to broaden my skill set.
